Construction Committee Report

George Graikoski reviewed the monthly progress report. He updated the committee on the last aspects of the completion of the auditorium and the main lobby. He said that the loop could be completed by the end of November, which would allow for traffic flow to be as designed, and would open up the visitor parking spaces in the front of the main entrance. Finance Committee Report

John Bowes said that we are current on paying all invoices except those for the architects and Tighe & Bond. Those are being held pending resolution of differences.
